1. The KKE paralegal press mechanism is reportedly suffering technical difficulties. The only new KKE publication appearing in Athens during the week of 20 October was a one-page hand-written mimeographed sheet entitled Aligisti Athena (Unsubmissive Athens), datelined 5 October.
2. The current KKE line is characterizing the present government as the most reactionary since the occupation and one which is leading the masses to starvation and war. Party members have been urged to place trusted fellow-travelers in the political groups of Emmanuel Tsouderos, General Nicholas Plastiras, John Sofianopoulos and General Neocosmos Gregoriades in order to prepare for the municipal elections. Candidates are to be urged to make all-out attacks on the present government instead of concentrating on demands for general amnesty, peace, etc.
